

Help raise \$75,000 to serve the needs of homeless veterans of Southeastern Massachusetts and commemorate the historic 75th Anniversary of the end of World War II

# HOPE FOR HEROES ANNUAL APPEAL

There is a significant need from local veterans who are homeless or on the verge of becoming homeless for basic human needs and supportive services.

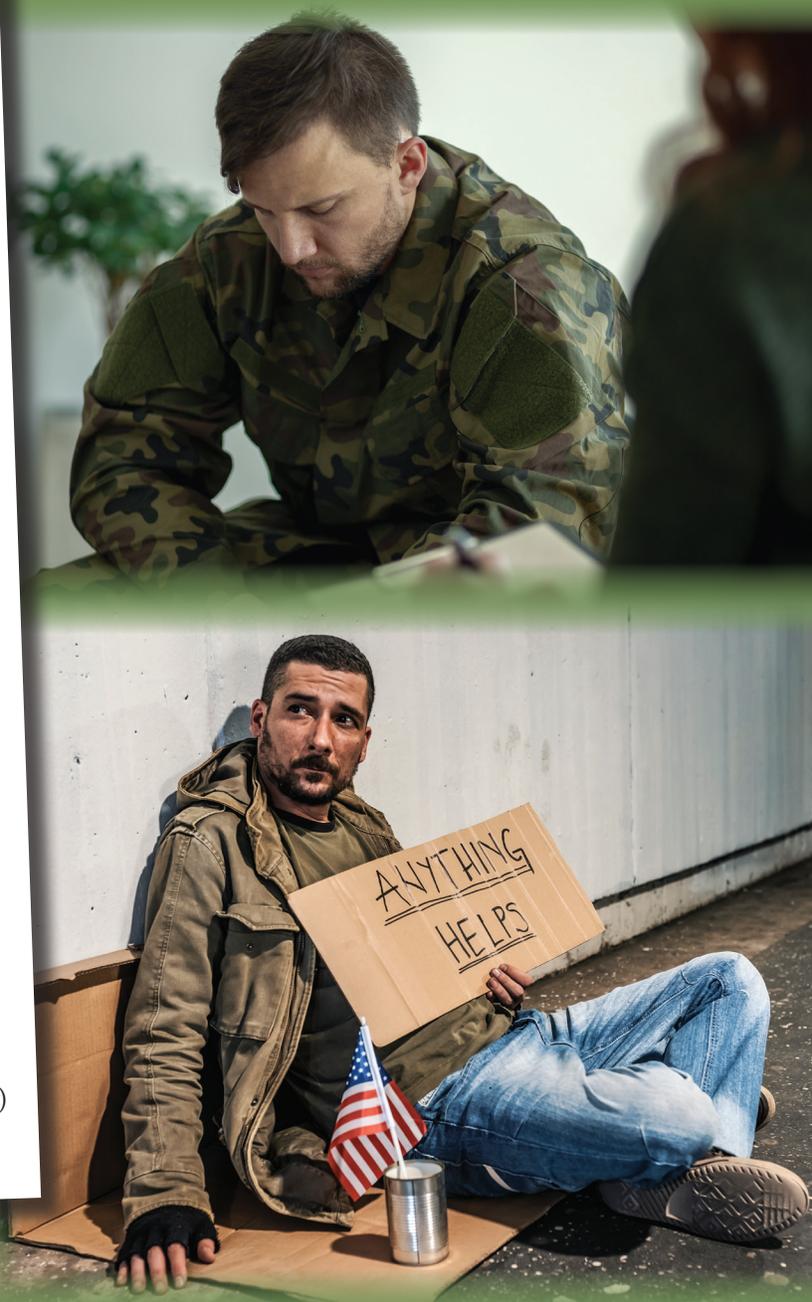

**Veterans Transition House** is responding to this call to action with expanded programs and facilities. In 2020, Veterans Transition House is opening a \$10 million campus for homeless veterans and veterans who seek a lifeline to gain stability with food, shelter, employment, training, and medical and mental health care. This milestone for Veterans Transition House will be achieved during the 75th anniversary of the end of World War II. Now we ask for your help to make this a year of recognition for all veterans, past and present.

**The Hope for Heroes Annual Appeal** provides critical funding as our new campus and programs come online, including transitional housing, permanent housing, meal service, case management and referral services in the new Anthony C. and Salvatore H. Alfiero Outreach Center. Thank you for considering a tax-deductible contribution today.

Sincerely,

James Reid, USA (Ret.)

## About Us

Founded in 1990, Veterans Transition House provides transitional and permanent housing in conjunction with rehabilitation, re-integration and supportive services for homeless veterans and veterans at risk of homelessness. Having served more than 3,000 veterans to date, the goal of Veterans Transition House is for veterans to achieve self-sufficiency, especially those who have struggled with substance abuse, post-traumatic stress disorder, medical and mental health issues, as well as family and financial hardship. The vision of this veterans-helping-veterans nonprofit is to provide first-class facilities, services and staff to ensure that every veteran has a home and the support they need for their independence. Veterans Transition House owns eight revitalized properties across New Bedford including historic preservation award-winning buildings.

In 2020, Veterans Transition House is opening a \$10 million campus for homeless veterans and veterans who seek a lifeline to gain stability with food, shelter, employment, training, medical and mental health care.
